From Your Sr. Chapter Directors,
Tom and Kathy Peck

Hi Everyone,

Sure seems like time is flying by. Here it is spring-time already. I hate to look outside today since its snowing and the temps sure don't make riding the bike look very exciting. "It won't be long now," is what we should be saying!

Spring Fling is just around the corner and our new location in Chattanooga this year will make things even more new and exciting. Our chapter has been tasked to come up with a FUN-ON-THE-BIKE field event (game) so we will need some help putting that event on for everyone on Friday afternoon. Should be lots of fun. In the past you may have seen special skill events and the some may have been afraid to get involved. The on-bike games we are having this year will be lots of fun. Everyone should come out and play with us. Its all about fun this year.

We also need some volunteers to help man the door prize room each day of the event, so let us know if you're available to help. Make sure you keep your eye on our ever-changing web-site at www.tn-b.org. We will update items previously marked as TBA and also times and meeting places, miles, etc that make the event easier to understand.

Hope to see you
all Tuesday!

Tom

Honda Open House

Wow! What a great event Tyler and the crew from the Knoxville Honda shop put on for the GWRRA Chapters. It was a fun time to be had by all who attended and the food and drinks kind of put the icing on the cake.

Then they rolled out the New F6B with music blasting, after they uncovered the two stationary F6Bs. It was fun to see the excitement on some of the members faces as they climbed aboard the new bikes. I will have

Tyler gave us a brief power point presentation of the F6Bs and some of the new and different things that are going on with the bikes. He also mentioned that Honda has really put an effort into

to say that not all of the people liked the new bike but, I did like the style of the new seat. I just hate that it is not compatible with the existing Goldwings.

Thanks again to Tyler and the crew of the Knoxville Honda shop for a job well done.

And thanks to Scott for the great article and pictures he submitted—he'll get extra 50/50 tickets at our gathering!

making sure that the accessories that are available are being sent out ASAP to keep from having any lag time in the bikes and accessories coming together.

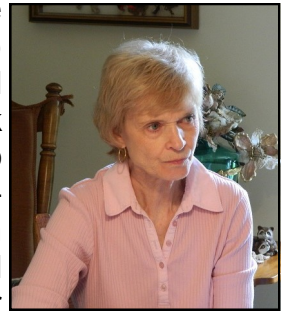

Game Night at Bill and Merrilee's

I would like to say a special thanks to everyone who brought food to game night at Bill and Merrilee's. Man, that was some good eating, even the healthy stuff that was there.

The marble champs (dining room) were Merrilee and Dianah although I think a play off is in order to determine an overall winner in marbles.

All in all I think about 12 people showed up for fun, food and games. I think that the marble champs (kitchen area) were Peanut and Gary.

Frank, I believe, came out on top in Pass the Trash. I could be wrong but to find out you will need to come to our next scheduled game night. Look for it in our newsletter.

Five crowns I think was a tie between Chuck and Patty.

Congrats to all winners (which was all who made it) because it was a FUN time.

And thanks again to Scott for submitting a great article. He shares the honors with Merrilee for contributing pictures.

Impromptu Ride

Back In Time Cafe and Bakery - 501 N Main St, Sweetwater, TN 37874

Back in the early part of March the weatherman made a prediction about the upcoming weekend weather forecast and after many previous winter days earlier this year, it was kind of a last minute idea to take a ride so we looked to see where would be a good destination and how far to ride.

We remembered back to our Chili Cook Off and one of the door prizes that someone picked up for our fund raising event. Not sure who dropped off the event flyer but the owners called Kathy and ask where they could send a couple of \$20 gift certificates to their establishment. Remembering back to the generous gift we thought it would be nice to pay them a visit at their restaurant in Sweetwater. The "Back in Times" was a small place in the back of a consignment shop right on the main drag in downtown Sweetwater. I sent out a last minute email about the ride we had planned figuring if anyone got the note they would join us along the way. I mentioned the proposed route and estimate of the timing to Sweetwater then off we went.

Chuck and Pat met us at the McDonalds in LaFollette and off we went stopping for fuel at our Knoxville meeting place the Weigel's on Emory Rd. We headed across route 131 into Karns and down Hardin Valley Road where we picked up Watt Road over to Route 11, the Lee Highway, and on into Sweetwater.

We parked on Main Street and went into the Picket Fence store and found the Back in Time Restaurant in the back of the store. Very nice little place seats maybe 40. The place was all decorated in a 50's theme lots of Coke and old car signs plus old 45 rpm record table decorations.

We met the owners and thanked them for their donation to our Chili Cook Off. As we were ordering our lunch Lance and Chris Busic came in and joined us. They rode over to meet us from Sevierville, and their timing was perfect. We ordered a really nice sandwich and enjoyed our meal as we visited and shared some stories.

The consignment shop had many little booths where people would set up and sell their crafts or antiques—really nice stuff.

The restaurant owners were very nice and mentioned they would reserve parking for us if we brought a group over for lunch or dinner in the future. We picked up old route 58 all the way back into Oliver Spring's then on home to LaFollette. Lance and Chris were continuing on South to do some more shopping before heading back to Sevierville.

Beautiful fairly warm sunny day and riding with good friends. Doesn't get much better than that! Join us down the road, check your email and check the web site for the latest events and rides.
