From Your Senior Chapter B Directors,  
Tom & Kathy Peck

Here we are and its February once again, not much activity out there on the motorcycles these days. Just checked the calendar and it looks like 48 days until Spring. Lots of time to get ready for the riding season. But who is counting. Me for one. Can't wait for those days when it so hot you hate to even go out for a ride, I'll take it. We will soon be getting together to do our planning for the upcoming riding season. Each year we always try to get together and do some brain storming so we can come up with a good ride schedule everyone is happy with. Keep you eye on our chapter web site [www.tn-b.org](http://www.tn-b.org) when the ride schedule will soon be updated and published.

I would like to thank all our Chapter B members who came out to help make our annual Chili Cook Off another success. Our busy bee's worked hard behind the scenes gathering door prizes and auction items. Although the crowd was a bit down this year everyone still seemed to have a good time. I would also like to thank all our GWRRA members from Chapter C in the Tri State area, Chapter M from Lenoir City and Chapter F from Morristown plus others who came out to support our annual event. After expenses were covered our Chapter raised approximately \$1700. The Chapter B membership will decide how we will divide things up between St Jude and the Pediatric brain Tumor Foundation. We will continue to collect donations to add to the final amount for 2017.

We look forward to coming up with new ideas that might make our annual fund raising event even better for 2018, let us know if you have any suggestions.

**Tom**

## A STORY TO LIGHTEN UP YOUR DAY

A young mother was concerned about Timmy, her kindergarten son, walking on his own to school. The problem was Timmy didn't want his mother to walk with him. The problem was she wanted to give him the feeling that he had some independence but yet know that he was safe.

So she had an idea of how to handle the situation. She asked a neighbor if she would please follow her son to school in the mornings, staying at a distance, so he probably wouldn't notice her. Her neighbor said that since she was up early with her toddler anyway, it would be a good way for them to get some exercise as well, so she agreed.

The next school day, the neighbor and her little girl set out following behind Timmy as he walked to school with another neighbor girl he knew. She did this for the whole week. As the two children walked and chatted, kicking stones and twigs, Timmy's little friend noticed the same lady was following them as she seemed to do every day all week.

Finally she said to Timmy, 'Have you noticed that lady following us to school all week? Do you know her?' Timmy nonchalantly replied, 'Yeah, I know who she is.' The little girl said, 'Well, who is she?' 'That's just Shirley Goodnest,' Timmy replied, 'and her daughter Marcy.' 'Shirley Goodnest? Who is Shirley Goodnest and why is she following us'?

"Well," Timmy explained, "every night my Mom makes me say the 23rd Psalm with my prayers, because she worries about me so much. And in the Psalm, it says, 'Shirley Goodnest and Marcy shall follow me all the days of my life', so I guess I'll just have to get used to it!"

*My family and I wish to express our gratitude for the great turnout at Bill's visitation, funeral, and burial last weekend. He would have been so pleased with the tribute and honor bestowed on him by our GWRRA chapter family and the Patriot Guard. Riding your motorcycles on such a cold day was truly a sacrifice of love and we thank you from the bottom of our hearts.*

*Your prayers, visits, and support meant so much to both Bill and me in the past several months as we fought so diligently to get him standing, walking, and back to the active man he was before September 1st. Your love gave me strength and he never gave up.*

*The flags were beautiful -- aren't they always? Thanks to Vicki and Larry for introducing me to Patriot Guard. They honor policemen, firemen, first responders, in addition to Veterans. Of those, Bill served in the U.S. Navy, and in his community as a policeman and fireman for several years when we were first married.*

*He will be celebrating his birthday February 2 in Heaven. I can only imagine how that will be. I was blessed with a wonderful husband and father of our children. My focus will be on the good times...almost 55 years of marriage and chock full of great memories!*

*Thank you all, my dear friends, for just being "you".*

# RIP Bill DeGuire

Chapter B lost a long time member and dear friend and fellow motorcycle enthusiast, Jan 23rd. Bill DeGuire will be missed not only by his immediate family but his extended Goldwing Road Rider family. Bill enjoyed much of his leisure activity on his Goldwing Trike. He had several Goldwings in the past and shortly after getting his 2004 Magenta GL1800 he decided to convert it to a trike.

His Hannigan Trike was his pride and joy as he and his lovely wife Merrilee enjoyed their wing and the open air, and we were blessed to have many fun trips together with them throughout the country. Most recently on a trip to Colorado we spent 2 weeks riding some of the greatest mountain roads in America.

Game nights had a whole new meaning for Bill as this was one of his favorite things to do. Bill introduced the wonderful game of marbles throughout the south east. The special edition of this game was passed down from his Missouri family and imported to Tennessee where playing the game caught on fire becoming very popular. Building the game board from a sheet of plywood and sharing with friends was another fun time I was able to share with Bill. An afternoon playing cards was always in order for Bill, he loved to trade wits with his opponents and always made a good partner as we played the girls in a hot game of hand and foot.

Each year Chapter B has a Chili Cook-off to raise money for the children of St Jude and the Pediatric Brain Tumor Foundation. Bill always went all out securing cash donations, auction items and door prizes used in the fund raising effort. Bill & Merrilee got involved back in the Honda Hoot days and continued each year since. During the Ride for Kids Bill would always ride one of the children who had survived a brain tumor.. Bill's extreme effort will truly be missed by all during these fund raising activities in and around the East Tennessee area. Rest in peace Bill DeGuire.

distracted by attempting to use a GPS unit while continuing to ride instead of pulling over. Even something as simple as a stubborn zipper on your jacket can cause a lack of attention on a particularly curvy road.

One of the worst fixations is something weighing heavy on your mind. Whether it be something from work or from your personal life, find a way to clear your mind and concentrate on your riding or park the bike.

Whatever the case may be, make a conscious attempt to become aware of when you are becoming distracted. Pull over into a rest stop if necessary and take a break.

Until next time, ride safer.

***Jerry***

It's true, most motorcyclists are more observant and aware of what's going on around them while riding. But, have you ever found yourself staring at something that caught your attention and then found that it was something that was completely unimportant?

These types of meaningless fixations are usually what get riders into trouble. Scanning the area ahead expands our awareness of the big picture, but staring tends to minimize our situational awareness.

Car drivers are often distracted by emergency vehicles with flashing lights at the side of the road causing fixation or staring, which often leads to secondary, or "rubbernecker" type crashes, often involving the stopped emergency vehicle.

*The Patriot Guard Riders is an organization based in the United States whose members attend the funerals of members of the U.S. military, firefighters, and police at the invitation of a decedent's family.*

Saturday morning was cold and flurries were in the air. Merrilee asked that, all who could, would ride the motorcycles in the funeral procession to show our respects to Bill Deguire. He was a Navy Veteran and the Patriot Guard Riders came out in force. Tom & Kathy, Scott, Ken, Roy, Marvin and Vickie joined the riders as we escorted Bill to his final resting place just up the Valley from Lafollette. Many thanks to all those who made this a very special day for Merrilee and all of Bill's family and friends. Extra thanks to Vickie and Larry, who are dedicated Patriot Guard Riders, for setting up the escort and also the flag line the previous evening at the church for Bill's visitation
