Tom & Merrilee Peck Chapter B Directors

Hi everyone,

New year again this year 2023 who would have ever guessed we would have made it this long. Guess we need to count our blessings every day. I know I sure do!

Well, looks like our new organization is moving right along, sure lots to do whenever something like this starts up, plus everyone is a volunteer. A group like ours can not run on its own, got to have volunteers who are dedicated and keep things moving along. Thanks to all our volunteers who have stepped up to do a few of the jobs that keep our Chapter running smoothly. Look forward to the new year as things are changing as our organization grows.

Sorry we had to cancel our ride planning meeting, the weather coming in didn't look too promising so we canceled to prevent any mishaps that traveling on our roads may have presented. We will look things over and I'm sure Stanley will discuss setting a new date when the weather is not so threatening, plus this will give you all some more time to come up with more ideas for rides and events. Spring Fling is just around the corner and I hope some of our more talented and creative members can come up with a Skit to enter in the talent show.

Sure sad to hear about our District Director passing. Gary was a truly dedicated leader that made it fun for all those who knew or was around him. Gary Hamilton will be truly missed. Our prayers go out to Patti and we hope she will stay close within our new organization and will share her wealth of knowledge with all the new volunteers who are building our new association. Just announced is Richard and Connie Pendleton who were our East Tennessee Sectional Assistant Directors. We wish them the best of luck as our new Tennessee District Directors. Richard and Connie are from the Tri City area where Spring Fling is being held. I'm sure other new positions will be announced as we move forward.

We look forward to seeing you all soon as riding season will be approaching in the not too distant future. Thanks Stanley and Patty for taking care of business in our absence as we enjoy some Florida sunshine. See you all soon.

Assistant Directors

Assistant Chapter B Directors
Stanley & Patty Rinehart

As we are starting into the new year, we have some stuff to be thinking about, and one of the most important is our ride planning. While we didn't have a ride planning meeting yet we did unveil a new idea at last month's meeting. Since we were not getting much input for rides, I decided to go back over the last 10 years of ride list and randomly select rides and add them to a list, sort of a let's ride down memory lane type of thing. I put the list together and we handed them out at the meeting plus I sent them out via email to everyone to look over. The idea was for everyone to select the rides in the order of 1 being the ride I like the best to 19 being the ride I am least likely to go on and then turn them back into Tom to sort out then we would get with Wally to plug them into our schedule. Now we have some things that will automatically be on the ride list every year but there is also a section if you have a ride you want to add then we would add into the schedule. We had a good turn out on the list and as of yet I have not seen the final numbers but we would like to still get together and discuss, maybe at one of our monthly meetings. What we need now is get some of us to volunteer to lead some rides then let you pick one you would like to lead and if we can't find someone to lead a particular ride then we will just cancel it. Now we have people that lead a lot of rides but we need more people to step up and if you would like to be a ride leader, just get with Wally, Tom or myself and we'll hook you up. I know this is a little different than what we have done in the past and maybe we are starting a new trend but we are a motorcycle group so we need to ride and I think the problem getting rides on the schedule sometimes may be a little tuff because people may think we have been there and done that so they are reluctant to bring it up. You have all heard the saying that it's not the destination it's the journey but the other side of that is that it's not just the journey but the people you share the journey with. I look forward to seeing everyone at Tuesday's meeting.

Stanley

Happy Trails

Helmet Selection

If you are like me (I know, I know...scary thought) you want to be as comfortable as possible as you ride your motorcycle. You want the position you are riding in to be natural and comfortable. You want a seat that makes your tushy oh so cushy (yes, I wrote that), and you want all the unwanted elements of temperature extremes and excessive wind to be controlled to make your ride pleasurable. After all, we don't want to be thinking of those things, we want to be enjoying the ride.

One of the most important factors that impact our riding comfort is our helmet. A helmet that is ill-fitting and uncomfortable is a huge distraction as is a helmet that is noisy. Below are a few tips to consider when buying a helmet.

Find a Helmet Brand That Best Fits The Shape of Your Head – Just look around our meeting on a given first Tuesday night and you will see many different shaped heads (try not to laugh out loud as some folks like Scott or Wally may be self-conscious about the shape of their heads). Typically head shapes fall into three types: Round Oval, Intermediate Oval and Long Oval (see picture). Many helmet manufacturers will make their helmets favoring one of these shapes although they won't typically post that on their websites. Once you have determined your personal head shape find an experienced rider with a similarly shaped head and ask him or her what brand of helmet they wear and then go try on some helmets of that brand. At Wing Ding last year (a moment of silence please) there was a vendor set up there who had various helmet brands you could try on. It was very helpful.

Select a Style – This is a very personal preference but there are some practical factors to consider when selecting a style of helmet. I rode many years with an open face helmet because I didn't like the enclosed feeling of a full-face helmet. However, full-face helmets are safer by far in the event you have a wreck as they protect your jaw and face so much better. One of the more popular helmet styles is the modular helmet that allows the bottom part of the front of the helmet to rotate up which helps when trying to talk while stopped or when getting your helmet on and off as you preparing to ride or shut down from a ride. You should seriously consider factoring in safety and practicality when selecting your style and again, talk to people who have the style you are thinking about buying and ask them what they like and don't like about that style of helmet.

Check Safety Ratings – Not all helmets are as safe as others. Safety ratings on helmets are mandated and any DOT compliant helmet sold in the U.S. must have the a rating sticker on the back of the helmet that should include the manufacturers name on the top and then the specific DOT rating that states *FMVSS No. 218 Certified*. However, buyer beware! Many novelty helmets may have DOT stickers yet they are not certified. I found that you can actually buy DOT stickers and some sellers do this put them on their helmets which is, of course, fraudulent.

There are many other things to consider about selecting a helmet but in the end find one that safe and comfortably fits your head you can't go wrong. Oh, and even if you have an odd shaped head like mine, there is a helmet out there that will fit you. Protect the dome and make it home!

Scott

Technical Coordinator: Chris Harden

Goldwing fluid locations

Some people are unaware of locations and what fluids to use so I have come up with a chart of fluid locations

Brakes:

Front on right handlebar

Rear brakes remove chrome side cover right side reservoir towards the front

Fluid: DOT4 brake fluid

Clutch:

Left handlebar

Fluid: DOT4 brake fluid

Coolant:

Radiator cap located under right dash pocket area or on 2012 -17 same locations but dash removal necessary to gain access

Coolant recovery tank fill left side of bike near left foot peg

Fluid: antifreeze 50-50 mixed with water

Motor Oil:

Remove chrome cover on right and towards the rear is a dip stick going in the engine

Fluid: 10W40 Honda line Oil or Mobil 1 10W40 racing4T oil

Rear Differential:

On a 2-wheeler it located beside right exhaust on differential Housing. In a 3-wheeler it's located on differential in different locations according to manufacture.

Fluid: on 2wheeler it uses Honda gear oil

Trikes need to reference manufacture for fluid recommendations.

Blinker Fluid:

All models behind the left rear blinker

Fluid: Blinker Fluid 20-20 extra strength for best results

Chris

RECIPES

Bacon Biscuits with Strawberry Butter

Ingredients

Biscuits:

- 2 cups all-purpose flour
- 1 tablespoon baking powder
- 1 teaspoon salt
- 8 tablespoons shortening
- $\frac{2}{3}$ cup buttermilk
- $\frac{1}{2}$ cup crispy bacon bits
- 1 tablespoon butter, melted

Makes: 8 biscuits
Prep Time: 15 minutes
Cook Time: 20 minutes
Total Time: 35 minutes

Strawberry Butter:

- $\frac{1}{2}$ cup strawberry preserves
- $\frac{1}{2}$ cup butter, softened
- $\frac{1}{4}$ cup strawberries, chopped

Instructions

1. Preheat oven to 425 degrees.
2. In a large mixing bowl, combine the flour, baking powder and salt. Cut in the shortening until the mixture forms coarse crumbles resembling small peas. Stir in buttermilk and bacon until just combined.
3. Roll out dough and cut into 8 biscuits (about 2 $\frac{1}{2}$ inches each). Brush tops with melted butter and bake for 10 to 12 minutes until golden.
4. While biscuits bake, prepare the strawberry butter. In a medium bowl, combine strawberry preserves, butter and strawberries. Stir until creamy and combined.
5. Serve biscuits warm with strawberry butter on top.

Ladies, please submit some of your favorite Recipes to Merrilee so they can be used here in this section and we can share them with all our Chapter B members

Couple of the Month

This lovely lady Emily Lewis was born and raised in Hollywood Florida.

She has two brothers Willy and Allen. Her mom was a special ed art teacher. Emily's dad was a licensed electrician. He was the fifth licensed electrician in the state of Florida.

At the age of 13 Emily met a boy by the name of Craig Lewis.

He turned out to be a lifelong friend and the love of her life!

They married after high school and never let go of that friendship and love. It continued to grow deeper and deeper.

Out of that beautiful lifelong relationship was the birth of two beautiful children by the name of Steven and Emily. Steven had a daughter by the name of Evie who is now deceased. Chapter B's Evie Fund was established in her memory. Emily has two boys Timmy and Christopher. Timmy has one daughter Lydia. Which makes Emily a great grandmother. The family enjoyed camping,

going boating and gardening together. Emily retired from the Fort Anesthesia Group in 2006. She enjoys making floral arrangements and doing other crafts. Emily and Craig moved to Tennessee in 1978. Craig was the type of man that never asked for anything for himself. He worked hard and always took care of Emily and the children. They always came first in his life.

In January 2009 Craig saw a trike that was not for sale. He liked it and became interested in owning one. He wanted a white one. The shop could not find a white 2009 model. But they had a 2008 still in the crate. So, they built Craig a 2008 CSC trike that Emily still owns and rides in his memory.

Craig and Emily Joined GWRRA in April 2009 and became a part of Chapter M. In September 2009 Craig got sick. In December 2009 he was diagnosed with ALS. Craig knew that he would not live very much longer so he asked Emily to promise that she would learn how to ride the trike. Emily had never ridden on a trike and now she must learn how to drive one. Nevertheless, she promised her lifelong friend and the love of her life she will make it happen. He never let her down and she was never going to let him down. As we all know she did just what she promised. Because we see Mrs. Lewis driving that 2008 CSC trike from place to place and state to state in Memory of Craig Lewis her lifelong love and best friend!

Emily said the Lord works in mysterious ways! Who would have thought that a motorcycle would give her so much fun to look forward too. She said she thank God everyday for the friends that she has made riding her motorcycle! GOD BLESS ALL!

2023 Americade 40th ANNUAL MOTORCYCLE RALLY

Chapter B will be planning to attend this event next year, make your plan to join our group

Ride to Americade/Niagara Falls

We will depart the Caryville Shoney's at 0800 on Friday May 26th en route to Americade . See: <https://americade.com> for information about the rally.

Many of you have expressed interest in seeing Niagara Falls so we will replicate the trip made in 2019.

We will spend Friday night on the road in the Mansfield Ohio area (hotel TBD) to arrive at the Residence & Conference Center on the campus of Niagara College. (<https://stayrcc.com/locations/niagara-on->

The Residence is all 2 bedroom suites with a living room, and shared bathroom; Very large rooms and plenty of free parking.

Check in will be Saturday afternoon May 27th for 3 nights. There is plenty to see and do in Niagara on the Lake including a special ice cream diary not far away—no tourists.

We will leave for Lake George New York on Tuesday morning, staying at the Howard Johnson by Wyndham, 30 May-3 Jun. wyndhamhotels.com

I strongly suggest you reserve the Howard Johnson in Lake George, and Residence and Conference Center ASAP.

Confused or questions?

Dave Roberts 865 748-9738

AMERICADE - OOP

I completely forgot about the Chapter Picnic on June 3rd, as I planned the Americade trip. In order to get back in time to attend the picnic, some changes will have to be made. A short meeting will be held to discuss alternatives, after the conclusion of our regular Chapter meeting next Tuesday.

Call me if you have any questions or concerns.

**Dave

Let's Get signed Up

For those who have signed up and Joined our new Association you will be given a member number.. Several have joined before the cut off date and will be considered a Charter member. Please forward your number to Stanley so we can build our member roster. Our new association will take awhile as it grows and will eventually provide individual Chapters this information . This information is also needed so we can make up new membership drawing tags for our member drawing each month.

It may take several weeks to get your new membership number, I joined several months ago and just received notification of my numbers in an email and they followed up by sending my member card a couple weeks later. Tom's new number is 976 and Merrilee's new number is 976-01. You can access a membership application from our tn-b.org web site. Please contact Tom or Stanley if you need any assistance completing your application for the EWMA

Lets Celebrate

We have several Shirts, you can choose the one you like. Pat can order or you can purchase on your own and we can get the embroidering done for you.

We will eventually be transitioning to a new Chapter Logo for our shirts and our Chapter B patch, in the meantime all your patches are perfectly acceptable and can be worn during the transition period.

Place your Order with Pat Talley 423-562-1962
talleylakeside@gmail.com

Give me a call, email me or see you at the next meeting
INVENTORY CONSISTS OF THE FOLLOWING:

- Tennessee visitation pins (Shape of State)\$3.00 ea.
- TN-B Hanger Bars 2.50
- TN District Pin 3.25

Below is an email I just received from Gary Hamilton about a response he got from Jim Jackson, the Region A Director of the Eagle Wings Motorcycle Association, about availability of EWMA patches. I guess for right now you can order them directly from George & Brenda. Later on, Chapter B will try to have a few patches in our inventory so you will be able to get them from Pat Talley. This will be in the not too distant future. My intentions are to get a couple new Chapter Shirts and have some embroidery work done so you can see a few ideas before you order a new chapter Shirt. We will be working next year on the new Shirts and will ease into the new shirt idea. Until then, stay tuned as we grow into our new Association patches and logos.

EAGLE WINGS MOTORCYCLE ASSOCIATION

10/31/22

Afternoon Eagle Wings DD's

Several of you have inquired about Eagle Wings patches suitable for the front and back of a vest, jacket, etc. They are currently in stock at TNT Designs & Custom Gifts aka George and Brenda Murphy 304-669-7572, 304-669-5190. Hey you asked for them and here they are. If I recall the front patch (About 3") goes on the left side of the vest and the back patch is about 10".

By the way, TNT has replenished their stock on our Region 'A' patches as well. However, I still have around 60 Region 'A' patches I need to move so please consider ordering the Region 'A' patch direct from me until I flush out the inventory. I've recently shipped about 40 Region A patches so they are still a desired item. MS-Y Chapter bought 10 patches and Ed Carr's FL Chapter bought 10 as well.

Ya'll keep up the good work and keep your heads up so you won't walk into anything. Watch out for the Witch tonight!

I notice these pictures are a little rough looking and I'll take some more after receipt of the first set in my hands. The patch with the light brown background is the small front patch and the darker brown background is the large back patch. These are stitched patches and of good quality.

JJ & Sue

Visit our web site and follow the links to join this new and exciting association now that our GWRRA association closed down its operations.

Forward your membership numbers to Stanley after you receive them from National as we build our member roster moving forward with our membership drawing at each chapter meeting.

Eagle Wings Motorcycle Association Team Structure

This is intended only as an example as to what we have envisioned how this new Association would look like.

CEO/ President

International Team:

Vice President of Operations, Vice President of Safety/Ride Coordinator, Vice President of Finance and Vice President of Special Operations

Regional Team:

Regional Director, Regional Safety/Ride Coordinator, Regional Treasurer

District Team:

District Director, District Safety/Ride Coordinator, District Treasurer

Chapter Team:

Chapter Director, Chapter Safety/Ride Coordinator, Chapter Treasurer

The Directors would be appointed by the Director above them and the Director would appoint their own Team with approval of the Team above them, like the Chapter SRC would be appointed by the CD with approval of the DSRC and so on.
