From Your Senior Chapter B Directors  
Tom & Merrilee Peck

Chapter B Captured the plaques from chapter T Saturday May 22nd. 7 bikes and 11 Chapter B members not only captured the Tennessee District Traveling plaque but also was the lucky winner by ticket draw for the East Tennessee Sectional plaque. Thanks Chapter T

*Hi Everyone, sure been a busy month of May, not only was it motorcycle awareness month but it also welcomed some great rides and most important great spring/summer time weather. Sure been quite a relief from all the quarantine efforts due to the pandemic, looks like a few things are getting back to some sort of normal finally. We had a great Rally at a great new location back in Pigeon Forge once again, a great Tech day again this year, thanks again for all the help. Chapter B came out of its shell as they presented a funny skit for the talent show. Lots going on so make sure you have your calendar up to date with all the activities being presented by your Chapter Team.*

*The Chapter came to life and captured 2 traveling plaques, been a long time since we were on the road going after the traveling plaques, many found out how much fun this adventure can be, get ready at our chapter gathering as many Gold-Wingers will be showing up to try to bring home the plaques, sorry about the group photo, I found out it was like herding cats to get everyone together as a group for a picture. Really look forward to other chapters visiting our chapter to recapture those plaques—always a fun time.*

*Time to get ready for our Annual Chapter B Picnic; always look forward to hanging out with our Goldwing family, plenty of fun and games to be had, not to mention all the great food and desserts.*

*Look forward to seeing you all next Tuesday evening as we offer up the 2 plaques to our visitors. Make them all feel welcome!!!*

*Tom & Merrilee*

# Assistant Chapter Directors

Assistant Chapter Directors

*Stanley & Patty Rinehart*

*Well, as we are making it through Spring and with everything starting to bloom, so is the riding season. We have finished our District Rally, had Tech day and even got a few rides under our belt. There are some nice rides coming up on the schedule including a trip to Wing Ding which should make for a great ride and not to mention our annual Chapter B picnic just a little over a week off. Hard to look back at this time last year and think of all the stuff that we had to miss out on but I also think with going through a year like last year it makes us appreciate all the things we have going on this year. There are still some rallies that have been cancelled as well as some Chapters' events and as much as we want the world to be whole again there are still some lingering issues that are preventing everyone from getting back into the full swing of things again. For me and Patty getting to ride again has been great as I know it is for everyone else, last year really showed us how much we enjoy riding and how much we enjoy riding with our Chapter B family, after all that is what brought us together and what keeps us all coming back, the open freedom of the road and great friends to share it with and not in just a few small groups but as a large all coming-together group. The more the merrier, truer words have never been said. We look forward to seeing everyone at our June meeting.*

# Chapter B Couple of the Month

## *Kyle and Bobbie Beeler, June Couple of the Month*

***Meet Kyle and Bobbie Beeler who would have been married for 15 years on June 15<sup>th</sup>! Yeah!! And we wish you an incredibly Happy Blessed Anniversary!! They have a son and daughter in law Daniel and Lindsey Rutherford.***

***Kyle has been retired for 3 years. Bobbie is an Executive Assistant for First Horizon Bank. She will be retiring on August 4, 2021 after 40 years of service with them. Go Bobbie and Happy Retirement!! You deserve it after 40 years of service!***

***Kyle and Bobbie joined Chapter B in 2007. Kyle called Dave Roberts who was Chapter Director at that time. He invited them to the chapter meeting. During this time Chapter B was meeting at Shoneys on Western Avenue. It was close to where they were living at that time. They attended one meeting at that Shoney's and Chapter B moved to their current location at Shoney's in Clinton, TN.***

***Chapter B has certainly been a blessing to Kyle and Bobbie. They have met lifetime friends whom they have taken many trips with. They are looking forward to future trips with their Chapter B family. Joining Chapter B was well worth it for Kyle and Bobbie!***

# **Headed to Wing Ding 42**

After a false start (due to the Wu Flu) last year, Wing Ding 42 is finally going to take place in Springfield MO starting with the welcome party on Tuesday June 29th. The event will run through Closing Ceremonies (where Tom will win something) on Saturday, July 3rd.

If you have never been to Wing Ding before, I suggest you check out the website:

www. [wing-ding.org](http://wing-ding.org) to see what all the fuss is about.

We've planned a three day ride out to Springfield which should be an easy pace for everyone.

Departure will be from the Flying J Watt Road, Exit 369 I-40, with kickstands up at 0800 on Sunday 27 June. (Yes I know that's early) Depending upon the weather, maybe a little Interstate, and then back roads to the National Corvette Museum . We will tour the museum and have lunch before departing for the overnight stop at the Hampton Inn and Suites Clarksville, TN, 3091 Clay Lewis Rd ([hilton.com](http://hilton.com)).

Monday morning departure is TBD for Hickman KY where we will ferry across the Mississippi River. (\$5 per bike toll, cash only) See: <http://www.dorena-hickmanferryboat.com/>. Before we arrive at the boat, we may have a photo op at the Fort Donaldson National Battlefield where Grant became famous.

After we land in Missouri, we will pass through New Madrid (home of the famous earthquake) on the way to Poplar Bluff Hampton Inn, 2420 Crestwood Dr, Poplar Bluff, MO 63901. ([hilton.com](http://hilton.com))

Tuesday morning departure will be TBD to arrive in Springfield around lunch.

If you are interested in going with us, get your hotel in Springfield NOW—use the wing-ding website.

Should be a lot of fun., Let me know if you need more info..

Dave Roberts

# Chasing Plaques

2

Beautiful Saturday morning as we met at Shoney's for breakfast getting ready for a 0930 take off. Scott had already made his 2nd pass at the Buffet bar as everyone started to roll in. Dave had planned a nice backroads route but the allergy season had him down and out for the morning. A direct route was decided and off we went picking up old Rutledge Pike on our way east to the down home restaurant where Chapter T has their monthly meeting there each 4th Saturday. Our mission was to Capture the traveling plaques they had. Chapter B showed up in force as we won both plaques to be up for grabs at our June 1st chapter gathering. I think we overwhelmed them with such a large group showing up all at once. 1st order of business was count up those from each chapter and multiply that by the number of miles from our meeting place to their meeting place for the Tennessee District plaque rules; of course it was a hands down win for Chapter B with 7 bikes and 11 people. Next was the East Tennessee Sectional plaque with a simple ticket draw they drew Larry Hale's ticket. We didn't fare so well in the 50/50 drawing.

The Down Home Restaurant was a perfect place to have a gathering and the food served was excellent, took a while to get served but eventually everyone was happy. All we had to do was try to find how we were going to get the large plaque cases back home. Now was the time to check out the capacity of the trunks on various trikes. We ended up securing one plaque in Robert's trike and one plaque case on the back seat of Scott's 2 wheeler since he was riding solo today.

John Hooper said he could get us home on some back roads so John and Ann became our ride leaders as we cruised up over the mountain road and across the beautiful countryside. Good thing John was leading because the route he picked was amazing. We seemed like we were definitely lost as we explored some really great backroads. Our group split off in several different directions as we departed as some headed for the LaFollette area.

# Cookie Jar Ride

sure is cold out

Ride to the Cookie Jar  
The day started out cloudy and cool with the temps around 57\* when we pulled out heading to Shoney's to meet up with part of the group to have breakfast. We had eleven show up at Shoney's with the others planning on meeting us at

Wally's house. We pulled out of Shoney's around 9:30 headed toward Rockwood and for the better part of the day we had cool temps and cloudy skies. The ride to Wally's had us making our way through Oliver Springs and Harriman and this always a nice route. We arrived at Wally's house right at 11:00 with the rest of the group already there and Wally had much appreciated drinks and snacks waiting for everyone and after a little break and some fellowship time we were ready to hit the road headed to the Cookie Jar. We left Wally's with nine trikes and two motorcycles, twenty people in all as we took Highway 27 down and caught 70 over to what would get us on to Highway 127. This is a very nice ride and the road that would get us all the way to the Cookie jar. When we got to the cookie jar around 12:30 Central time they had tables already set up and waiting outside on the porch for us and this made for the perfect setting with the cooler temps and the views of the surrounding mountains to look at over lunch, it was hard to imagine a better way to eat. As always, the portions were large and the food was

good, and the companionship was great and no trip to the cookie jar is complete without one of the large desserts to eat. After lunch and after we located Barbara, we took a few group pictures and then it was time to mount up. We took Lower East Valley Road up to highway 30 when we left and I have to say this was an excellent choice, I think we were the only people on Lower East Valley Road and Highway 30 is a great curvy motorcycle road. We made our way back over to 27 and started for home with everyone breaking off at different spots. Patty and I pulled back into the house with 54 degrees and a few sprinkles. The temps ranged from 57 to 61 degrees for the better part of the day, it was cool and mostly cloudy but I wouldn't have wanted it any other way as we had great roads to ride and great friends to share it with.

# Happy Trails

May has passed but we need to adopt each and every month as motorcycle awareness month, Make sure to look twice it could save a life

*Can anybody tell me where Spring went? For a variety of reasons, we finally got our first day ride on the bike on May 25th and the temperature was in the 90's! That means that it is time to remember about maintaining proper hydration while riding. Try to pack a small cooler with ice packs and some cold bottled water to rehydrate yourself and your co-rider on a regular basis. Do not become a victim of heat exhaustion or worse heat stroke which can be deadly. If you start feeling lightheaded or experience distorted vision, take a break to a shaded area, a rest area, or a gas station with a canopy to get rehydrated. Try to plan your route for a hot day with adequate rest stops and you will be all the better for a more enjoyable ride. Also, your armored riding jacket provides protection from dehydration by covering your forearms which if exposed accelerates dehydration.*

*On another note, I will have the tickets available for those who signed up for the June 11th Smokies ballgame at the June 1st chapter gathering. On game day we will meet up at 5PM at the Cracker Barrel parking lot at exit 398 on I-40, then ride to the ballpark at 5:30PM. You might want to bring a hat for sun protection for the first couple of hours at the park. Keep in mind that all games are on schedule even if rain occurs up until game time. So, if you decide to skip taking your bike, come in your 4-wheeler anyway because the game will likely be played after a rain delay. See you soon.*

*Until next time, ride safer*

*Jerry*

## Technical Coordinator: Chris Harden

Hidden Radio Functions: using the mode button it can reveal underlying menus that can help you enjoy your ride from balance of speakers to Roger beep and much more; also there is a mode that allows the volume to automatically increase volume while driving keeping sound even as the noise level increases. These are just a few of the special things Goldwing radios can do

Junk in the trunk! Like most of us. we keep our stuff stacked in trunk and saddle bags. You need to keep heavier things lower to the ground to lower center of gravity; also they make a trunk organizer which I personally use to put things like a hair brush, registration and small things from running around tearing things up. Also, Hoppnel products makes nets to attach insides of trunks and saddle bags to help keep the load from shifting I have also used them in Can Am Spiders.

# RECIPES

**Submitted by Merrilee Peck**

## **Fluffy Apple Dip**

**Prep. Time 10 Min.**

**8 oz. cream cheese, softened  
1 T. peanut butter  
1/2 t. pumpkin pie spice  
7 oz. marshmallow crème**

## **Assorted Apple Wedges**

**In small bowl, beat cheese, butter and spice until blended. Fold in crème. Serve w/apple wedges.**

**Makes 2 cups**

## **Cool as-a-cucumber Dip**

**2 c. sour cream  
1 pkg. Hidden Valley Ranch Salad Dressing Mix  
1/2 peeled cucumber, seeded and chopped  
1/2 t. dried dill weed**

**Combine all ingredients in a bowl. Mix well. Best if chilled overnight. Serve with chips and vegetable dippers.**

*Ladies, please submit some of your favorite Recipes to Merrilee so they can be used here in this section and we can share them with all our Chapter B members*

Over the years Chapter B has chosen the Lifestyle program as not only a great fund raiser but provides a good excuse to get together for a ride. You all know how much fun it is to enjoy a new place to eat in our area. With the pandemic we experienced last year it pretty much shut down our Restaurant Rating activities. Most locations offer a buy one and get one free so one card for each couple works best, individuals always get 1/2 off a menu item. The pocket saver costs \$20 and the chapter keeps \$6 of this for their favorite fund raising effort. The more the merrier as we schedule dinner rides using our Lifestyle cards, hope you all participate again this year.

I will have extra cards available at the Dinner outing, you may purchase your card then.

Lifestyle night out Schedule as of 4/29/21

**June 15<sup>th</sup>** .....Sonya and Jerry would like to do (Lifestyle card) at Walk On's #1 ,on June 15<sup>th</sup>, at 6 pm....if you are a little early or late it is ok
