From Your Senior Chapter B Directors, Tom & Kathy Peck

Hi Everyone,

Might as well say spring has sprung and our riding season is just around the corner. Hope you all have your bikes ready to go. Lots going on as many of us have trips already planned.

Spring fling will be here before we know it and I hope everyone has their registration in and their rooms reserved. Hopefully we will have a little better weather this year than we had last year. Once again we will plan to ride down as a group and I know many of you have rooms already reserved at the host hotel. We have posted a section in our past several newsletters with all the information you need to get all set for the annual Spring Fling event; check out page 12 at the top of the page.

As you noticed we had to re-schedule our visit to the Honda Store to our April 1st gathering date. The remodeling project they are in the middle of will make our evening unveiling of the new models much better given another month to complete the work. Mark your calendars for April 1st where we will meet at Honda instead of Shoney's. You also might be happy to know you can now log in to your own records to see your training dates and rider education information. You can access your account from the GWRRA national web site. Please let us know if you need any help figuring out how to access your information.

Look forward to seeing you all next Tuesday March 4th for our regularly scheduled gathering.

Ride safe! See you there.

Tom

Some of us have already tasted the riding season by getting drive shafts repaired, new bikes, new accessories and just beautiful weather. I hope that we will be able to see a lot of you out there on the road with Chapter B and the awesome ride schedule that we have.

With all this being said I would like to thank every one of the members for being great coming up with the schedule together and having a really terrific ride coordinator to keep it all up to date plus all the other work that he does. I bet he didn't think he would work this much when he retired (more than what he did at TVA from what I heard).

I think I have rambled enough for now, see you on the road and "KEEP THE RUBBER SIDE DOWN"

Scott (ACD)

Well what can I say but, "It's Goldwing time in Tennessee!!!" So let's get out there and do our T=Clocks on our rides and get ready to have fun with our family, friends and new people whom we have yet to meet. We need to ensure we check our bikes out, put our gear on them, load them up with goodies (cookies etc...) and fill up, ride out and return the way we left except fuller and happier.

A big "thank you" to our Chapter B family members who showed their concern for Bill DeGuire's recent back surgery. Your love and support meant so much to us. Bill feels the operation was successful and is doing better each day. Thanks, Chapter B!

And our condolences go out to those in our chapter family who have lost loved ones since our last meeting:

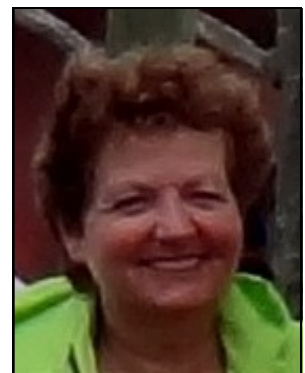

Tom Rhoads' father
Debbie Rhoads' mother
Ann Cutsinger's mother

Merrilee

We appreciate Emily who has been sending cards, flowers, etc. to our folks who are experiencing difficult times. FYI, a donation was made to the Pediatric Brain Tumor Foundation in memory of Ann's mother.

Thanks, Emily, for all you do.

I attended the Indiana District Winter Event February 19-22, 2014. This was held at a large hotel in Indianapolis. Nine o'clock on the loop around Indy, near the airport. This is a nice hotel, with plenty of meeting space and seminar rooms.

It is a pretty well-attended event of Goldwingers from Indiana, Illinois, Ohio and Michigan. There is usually one room with vendors. Everything is held inside as the weather is always cold there it seems. This year saw two snows in the 4 days I traveled. I was the only car on the road Sunday morning trying to get home.

I have a lot of GWRRA friends in Indiana, as I have met many of them several times at other District rallies in Region D and Wing Ding in Fort Wayne. I have fun at district rallies. Even though I'm a vendor, I can choose to join the events at night or call it an early night if it's been busy.

I encourage everyone to attend other district rallies outside of Tennessee. It's where I meet the most new people, and they are always so glad that you came to see them. They are also happy to recommend a good ride, a good restaurant, and they always know the best desert joints.

We make one of a kind custom flags and hats for our customers. In the category box at the top left are custom flags and hat samples broken down into subcategories. These are examples of customer flags for ideas. The text and clipart can be changed for your group or individual needs.

Custom flags are the same price as our stock flags. There may be a small one time art charge to reproduce your logo and text. Flags are usually printed the same front and back and can be either antenna or flagpole mount. We usually make the short flagpole flags as well if your design will allow.

Mountain Man Memorial March

The 7th Annual Mountain Man Memorial March is scheduled for 12 April 2014 in Gatlinburg. Mark your calendars, be prepared to come out and help us honor Gold Star Families and their fallen heroes.

The Mountain Man Memorial March began as a way to honor 1LT Frank B. Walkup, IV. 1LT Walkup, a 2005 University of Tennessee graduate and ROTC alumnus was killed in action in Iraq in 2007 when an improvised explosive device detonated near his vehicle. Upon learning of the death of 1LT Walkup a group of UT Cadets were looking for a way to honor 1LT Walkup and his family and the Mountain Man Memorial March was born.

The inaugural MMMM was held in Gatlinburg, TN in April of 2008 with 40 Cadets from East Tennessee ROTC programs. The inaugural MMMM consisted of a 26.2 mile march with each Cadet carrying a 35 pound ruck sack. The UT Ranger team carried a picture of 1LT Walkup and presented it along with a Gold Star flag, to his mother at the completion of the event. The 2013 MMMM honored over 75 service members from all branches of the US Military and their families. Marchers and runners totaled over 575 from all over the United States.

Each Gold Star Family will be provided, at no cost, 1 room at the River Terrace Inn for Friday 11 April 2014 and Saturday 12 April 2014. These rooms are provided to the families through donations from groups, corporations, and individuals like you and me. The cost to provide a room for both nights is \$150.00.

As a motorcyclist I have participated in this event for four years. On Friday afternoon and evening I and Judy have met with families as they arrive at the hotel welcoming them to the event. In the past there has been an opening ceremony where the marchers meet and greet their Gold Star family. This has always been a very emotional time.

Saturday morning we line our motorcycles up in front of the marchers. As many Gold Star family members as want are given a seat on the back of one of our motorcycles. When the march starts we lead them out part of the way on their march. We manage to get far enough ahead that we can let our passengers get off and cheer their teams on as they pass one of the water stations.

After breakfast we offer to take members of the Gold Star families on a short ride to get them away into the National Park for a little while of relaxation. This has been a fun filled time with the Mothers just relaxing for a little while.

As the marchers return to the finish line we escort them for the last few miles giving them encouragement. The marchers are tired and hurting at this point and the encouragement helps them one their way.

If you wish to donate money you can do this at <http://www.mountainmanmemorialmarch.com/>. For tax purposes this is a charitable donation.

Below is a schedule of events for this wonderful weekend.

If you have questions and/ or would like to volunteer in some way you can contact me or Judy.

Spring Is Just Around the Corner

As the snow melts away and the days get longer, the desire to experience the wind in your face gets stronger. Motorcyclists across the country are charging batteries, checking tire pressure and putting a good coat of wax on their trusty steed. Making ready for that first warm afternoon, when they can get out on the highway. Harley or Honda, all motorcycle riders look forward to the first spring ride in the country.

After a longest winter many can remember, road crews have worked long hours to keep the roads clear of ice and snow. However there is a very dangerous residual left-over from the plowing process. The sand the highway department used on roads. Loose sand is everywhere in the early Spring, it can be found on corners, intersections, main roads and side streets alike. This accumulation of sand presents a severe danger to all two wheeled vehicles.

Watch out for loose sand at intersections as well. Stopping too fast on a thin layer of sand will send you sliding into the intersection, possibly into the path of cross traffic.

People driving cars forget all about motorcycles during the winter months. Even in good weather in the middle of summer a motorcycle is almost invisible to cars. Our headlights being always on can help, but it's vital that motorcyclists ride with the attitude that

everyone out there is trying to kill you. For all practical purposes they are, be it unintentional, but none the less tangling with a car is the last thing any motorcycle rider wants to do.

Inexperienced riders, new motorcycle owners, will be on the road in large quantities. With the price of gas reaching the stars, more and more people will be opting for the much cheaper to operate motorcycle for daily transportation. Not only should these new riders be extremely cautious as they have a lot to learn about safety, but the experienced rider can find themselves in trouble because of mistakes made by someone with little or no experience.

When you head out on the road this spring, be aware. Know what's going on around you and give yourself enough space to safely navigate around dangers. Motorcycle riding is one of the best ways to experience what our beautiful country has to offer.

Be sure you enjoy it safely.

Ride smart,

Dave

Wing Ding 36, Madison, Wisconsin, July 2-5, 2014

Those of us who attended Wing Ding 35 in Greenville really had a great time - even in spite of the rain. We can start now to plan for next year's Wing Ding in Madison, WI.

I've checked out a lot of places to stay and this is what I have come up with. GrandStay Residential Suites. All rooms have a kitchen. Some are 2-bedroom and some one-bedroom with private bedroom. The rates are very reasonable. 2-bedroom suite \$116.10, 1-bedroom suite \$80.10, room with 2 queen beds \$89.10. (all beds are queens). Tax is additional at 14.5 %.

Booking.com gives this hotel a 9.2 *wonderful* rating (out of 10). Trip Advisor ranks this hotel at #8 out of 62 hotels.

I have reserved three (3) 2-bedroom suites from Monday 6/30 thru Sunday 7/6. That may be all the 2-bedrooms they have - it would not let me reserve more. If you would like to stay in one that I have reserved, just let me know - and it's OK if you change your mind. **So far we have all of these 6 rooms spoken for except for one—if you would like that room let me know.** They can be cancelled the day of. And we can change the dates on any or all of the rooms. I just thought it was a good idea to reserve while rooms are still available.

The hotel is about 12 miles and 15 minutes from the rally site. This is the website to check out the hotel and/or to make reservations. <http://www.grandstaymadison/>. FYI, GWRRA's rates for nicer hotels is quite a bit more. So I think this first-rate hotel is a good value for us.

Check out the web-site and let me know if you want to stay in one of the 2-bedrooms I have reserved. Or make your own reservation.
