From your Sr. Chapter Directors, Tom and Kathy Peck

Hi Everyone,

Hope you all have been having a great summer riding season. Kathy & I have had quite a nice trip ourselves and still have almost another week before we will get home. Guess I would rather be out riding around the country enjoying the sites than being home. Really. after a month on the road it is always good to get home.

After Wing Ding and all the visitors and then time for family at the lake we were really looking forward to our annual motorcycle trip. We really missed our good traveling companions Dave & Betty but sometime you just have to take care of business at home and find time to travel at some other time. The District picnic is coming up along with the Wings Across Tennessee. More on these activities later on in this newsletter.

This past month we received information about several new GWRRA members in our area and Merrilee will be working hard to make contact with them and invite them to come out and join us at Chapter B. Whenever we have a new member or visitor we always make sure we welcome them and make them feel like part of our big family. When you are out among your friends, especially your riding friends make sure to invite them to a chapter gathering and come see what chapter life is all about. Make sure you visit our Chapter B web site as well as our District and Region N web sites. Create a shortcut on your desktop so you can visit these sites often. I always try to forward newsletters and important information but might forget from time to time, especially when we are out of town or traveling.

Although we won't be back in time for our September gathering, we'll be thinking of you all and look forward to seeing you soon.

Chapter Ride to Natural Tunnel

enjoyed cooling their feet in the stream that flows through the park.

Keeping with Chapter B tradition, we were compelled to patronize the nearest ice cream parlor before heading home.

Our planned route back was altered when Chuck missed his turn off (he was watching for a big dumpster, which apparently had been relocated), adding a few extra miles to our trip. (Says he had planned for a little "dumpster diving" activity),

Wally navigated us around the threatening storm clouds, with his new device that tells you everything you ever wanted to know, and we were able to arrive back home dry.

All in all, we had a good safe ride and enjoyed the fellowship of a great group of Chapter B friends.

Chuck and Pat

Sat. Aug 13 was a beautiful day as 9 of our Chapter B members met to ride the 250-mile round-trip to Natural Tunnel, VA. Ken, Ann, Scott, Amy, Dianah, Gary, Chuck, Pat and Wally, proudly sporting his new 1800 GoldWing were ready to ride.

Only one U'e on our way up; that was when we spotted the \$3.23 gasoline. Gary was due for a gas stop anyway and we all appreciated the cheap gas and the rest stop.

Upon arrival at the park, we enjoyed the sack lunches we had brought, before taking the chair lift down the 450ft. drop to the tunnel. We were disappointed that

n o trains passed through while we were there (probably due to the decrease in coal mining activity) but the girls

Chapter B's Newest Trikes and Bikes!

Jerry & Irene's
new Trike!

And Kyle and Bobbie's
new Trike!

And we can't forget Mike &
Linda's New Toy!
(I wish we had a pic of
Wally's new ride)

More about our new toys . . .

Kyle was so excited when we were leaving that he - more about that at the Chapter meeting and the "Ding a Ling" award!

In true Chapter B fashion, before we left Corbin we made plans to stop at Rickard's Ridge for dinner on the way back. It was great having our friends go, too. That made it even more special for us. Now our trike journey begins.

Bobbie Beeler

Saturday August 20th was an exciting day for Mike and Linda and us. We met at Honda Knoxville to pick up Mike's motorcycle he won at the Ride for Kids. What a good looking bike. Kyle says it's a sweet ride, too. Quite a few Chapter B folks were there.

After that it was on to Corbin to pick up our trike. Daniel provided transportation for us. We were joined by Mike, Linda, Joann, Scott and Amy. It was definitely love at first sight for Kyle the minute he saw the trike. It really does look good.

And now it's up for sale . . .

Honda DN-01 Sport bike. I won this bike at the 2011 Pediatric Brain Tumor Foundation's "Ride For Kids." Uncrated & serviced by Knoxville Honda and presented to me on August 20, 2011. I have a Goldwing & don't need it.

Dragon Claims Another Motorcyclist

From the Knoxville News Sentinel of August 4, 2011:

“A motorcyclist was killed when his bike collided with a tractor-trailer on “The Dragon” on Wednesday according to the Tennessee Highway Patrol.

Dwight R. Woodward, 45, of Christiana, Tenn. was traveling southbound three miles from the North Carolina line about 9:30 a.m. on the famous twisting turning stretch of U.S. Highway 129 that draws motorcyclists from around the world.

As Woodward rounded a curve on his Triumph motorcycle, he struck a northbound tractor-trailer pulling an empty flatbed.

The truck driven by Bobby Frank Coleman, 47, of Nashville, Ga. had crossed into the southbound lanes as it negotiated the curve according to the THP incident report.”

Several things strike me about this tragedy; it happened on a week-day morning in excellent weather, and it appears that the motorcyclist could not control his motorcycle in order to avoid the truck. Why not? Too Fast? Bad Brakes? I wonder how many panic stops he had practiced? What about you? Do you think it's “safer” to “Run The Dragon” on a week-day? The Dragon is a Federal Highway, not a race-course. and trucks use it all the time.

If you must “Run The Dragon” remember, it's one of the most dangerous highways in the world; and it can BITE if you're not very careful.

How many panic stops have you practiced lately?
